

LEADING  
THE  
INDUSTRY  
AGAIN

## INTRODUCING THE INDUSTRY'S FIRST AND ONLY FULL LINE OF ACTIVATED CARBON BLOCKS WITH ENHANCED PFAS & CHLORAMINE CLAIMS.

**MATRIKX**® revolutionized water filtration when it launched its first activated carbon block in 1996. In the decades since, **MATRIKX**® has earned a reputation for innovation. Our latest breakthrough is high performance catalytic carbon technology. **MATRIKX**® is proud to announce the addition of PFAS & Chloramine reduction claims across our standard range of New and Improved **MATRIKX**® carbon blocks.
